Animal Enclosure Jobs

Select and visit any animal enclosure

What enclosure did you select: _____

What jobs do you think were involved in creating and/or maintaining this enclosure?

(Hint: think about if the enclosure includes complex ICT? Graphics? Information for signage? Complex hydraulics? Electrical wiring? Plants? Plumbing? etc.)

List FIVE different jobs:

- 1) _____
- 2) _____
- 3) _____
- 4) _____
- 5) _____

Select one of the above jobs and answer the following

Which job did you select: _____

How do you think that job was involved in the creating and/or maintaining the enclosure?

Imagining you were doing that job, what changes or improvements would you make to create an enclosure that was better for the animals, zookeepers, and/or visitors?
