All Trade Partners will be informed when a digital process is available. Alternatively, tickets can be collected on request.

Trade Partners are required to issue their tickets to their customers, on each ticket they must write the name of the Trade Account so that they can be identified at Colchester Zoological Society in the case that an enquiry is made. Tickets without a Trade Account name will be refused entry.

Colchester Zoological Society visitors are required to bring their tickets on the day of their visit and scan at the computerised turnstiles that read the unique bar code and the type of ticket.
